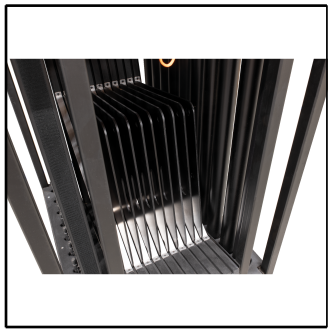
Wentex P&D Transport Trolley with Full Hardware Set 4,2m

4 m - without curtains

EAN: 8717748626677



The P&D Transport Trolley with Full Hardware Set is a complete and convenient solution for setting up a professional Pipe and Drape system with a height of up to 4 metres. Designed for quick deployment and easy transport, this set includes all required hardware components to create a 27-metre wide backdrop. It is ideal for events, exhibitions, theatres, and stage productions.

While the curtains are not included, this allows you the flexibility to choose the fabric type, colour, and opacity that best suits your specific application.

Included in this full hardware set:
1x Wentex Pipe & Drape Transport Trolley
10x Wentex Base Plate - Powder-coated (600 x 600 mm (W x L) - 14 kg - black)
10x Wentex Base Plate Pin, Orange (400 mm)
10x Wentex Telescopic Upright - 3-way (180 - 420 cm (H) - black)
10x Wentex Telescopic Drape Support (180 - 300 cm (L) - black)

Note: Curtains are sold separately.

Special features:

- Complete hardware set for 4 m high Pipe & Drape setups
- Covers up to 27 metres in width
- Telescopic uprights and supports for flexible configurations
- Durable, powder-coated components
- Easy transport and storage with the included trolley
