## DAP Frigga Base Plate

*For Frigga subwoofer*

# DAP

EAN: 8717748580108

The DAP Base Plate for Frigga increases the stability of the DAP Frigga column PA speaker and is attached to the bottom of the Frigga subwoofer with two butterfly latches. With the base plate attached, the Frigga is enormously stable and very difficult to tip over, which is particularly useful where there is a risk of people walking into or leaning against it. It is finished with the same tough polyurea coating to protect it from scratches and give it an elegant look.

### Special features:

- Increases stability
- With butterfly latches for quick assembly
- Scratch resistant polyurea coating
